	Operating Profit	12,95,000.00
Non Operating Income		
Total for Non Operating Income	0.00	
Non Operating Expense		
Total for Non Operating Expense	0.00	
	Net Profit/Loss	12,95,000.00

4. Advantages and Disadvantages

They give chances and ideas to their customers.

5. Applications

Urban Planning and Design: An "Urban Aura" project could involve designing urban spaces, including parks, streets, and public areas, to enhance the visual and sensory experience of city dwellers. This may include landscaping, street art, and architectural elements that contribute to the overall atmosphere of the city.

6. Conclusion

This program had been successfully executed.

7. Future Scope

Zoho development is going to focus on cloud service.
